

#GENERATIONTK

*Complex processes? Urgent need
for action. No more sweeping
things under the rug.*

No room for outdated thinking: Time for clear processes and structures. Just because something “has always been done that way” at thyssenkrupp, doesn’t mean, we can’t do it better. This calls for all of us - as the #GENERATIONTK. Let’s experience it together and move towards change at generationtk.com
