At the bottom, there are three buttons: "Save & Next" (circled in red), "Decline & Next", and "Back to Overview". There are also two checkboxes: "If possible, prefill identical fields on the next position?" and "If possible, prefill identical fields on all positions?".

6. When you have successfully made all entries, please click on “Send Quote to Customer”. Once you did it, a window will open and asks you whether you really want to send the quote to the customer. Please click on “OK”.

The screenshot shows the same web application interface, but with a confirmation dialog box open. The dialog box is titled "Wiedlung von Webseite" and contains the text: "Are you sure, that you would like to submit the Quotation? After sending the quotation back you will not be able to alter it anymore!". The dialog box has "OK" and "Abbrechen" buttons. The "Send Quote to Customer" button at the bottom of the page is also circled in red. The background shows the "Placed quotes" table with one entry: Material Number 99131708, Name SAUERSTOFF IN 50 L-FLASCHEN, Quantity 1,00 ZST, TCO n/a EUR, Files --, Comments --.

7. Once you saved it, you will receive a confirmation in the green box.

8. When you log in again with your credentials, you will find in the area Requests and RFQs all of your RFQs.
