

Safety Milestone of 3 mio man hours at IOCL NCU Project site, Paradip

A Safety Milestone of 3 mio man hours for our IOCL NCU Project was recorded at our IOCL Panipat site, where a Naphtha Cracker Unit expansion, MEG Expansion and Olefin Recovery project is underway. The Certificate was conferred by Mr GC Sikdar (ED & Refinery Head IOCL) who commended the efforts invested by us to ensure Safety at their project site.

We are rendering DFR and EPCM Services for the project.

Our congratulations to our **Site and Safety Teams** on this achievement!

Left to Right : Indian Oil Corporation's senior executives M/s Devendra Singh (GM-Projects), Joydeep Choudhury (CGM- Projects) and GC Sikdar (ED & Refinery Head) at the handing over of the Certificate of Appreciation to our RCM Mr Mrityunjoy Singh and team
