

Sharad Sharma elected Director to the Board of PPMAI

Sharad Sharma, Senior Vice President and Head of Group - Procurement, Estimation, Logistics & Inspection is inducted as the Director on the Board of Process Plant and Machinery Association Engineering (PPMAI).

The induction came about in the 57th Annual General meeting of the PPMAI held on 21st October, 2021 at the L&T premises, Powai.

Sharad Sharma attended the event virtually via MS-Teams. The appointment is valid for one year i.e. 2021 – 2022.

The PPMAI is amongst the leading industry associations in the country serving across different industries and organizes Conferences, Training Sessions, Ministry-level interaction forums, Exhibitions etc. for its members and the industry.

We wish Sharad Sharma all the best for his new role!
