

Mr Indranil Chakraborty elected as VP and Chair Student Affairs for ASSP

Mr Indranil Chakraborty, Head for Operational health safety for thyssenkrupp Industrial Solutions India is elected as the Vice President and Chair Student affairs for the year 2021-22 of the American Society of Safety Professionals (ASSP)

ASSP is US-Based Safety Organization, a 110-year old society which is considered the nodal association for safety related matters of industries and workplaces worldwide and has branches across the globe. It routinely sets standards for safety-related matters in industries and workplaces.

Mr. Indranil Chakraborty also presented a paper on “Risk Management of COVID-19 at Construction Sites” and participated in a panel discussion at the 71st National Conference of the Indian Association of Occupational Health OCCUCON 2021 held earlier this year.

tkIS India continues to place high emphasis on safety in construction of chemicals plants The election of Mr. Chakraborty is testimony to this fact.
