

ISA Meet - Lokhande & Siddharth Choudhari are feted for their contributions to the industry

Rajanish Lokhande, our Head of Instrumentation and Siddharth Chaudhari, Sr Engineer – Instrumentation were feted for their contributions to International Society of Automation (ISA) Maharashtra Chapter at their POWER PETROLEUM & PROCESS AUTOMATION (PPPA) MEET 2021" in June 2021.

Lokhande received the “Distinguished Automation Professional Award” for his contributions in the field of Instrumentation, Automation and related areas, while Chaudhari was awarded the “Section Leader Excellence Award” for his contributions in the IT and Digital Media space.

The theme for the second edition of the PPPA Meet which is held annually was #DIGITALIZATION IN POST COVID ERA“.

Both Lokhande and Chaudhari are members of the ISA, and have been contributing significantly to their initiatives. Lokhande is actively associated with the Chapters initiatives, while Chaudhari is the Webmaster and the Social Media Chair for ISA. Both took part in the 2020 and 2021 editions of PPPA.
