

tkIS India received the Special Trophy - Excellence in Engineering Process Outsourcing Services - EEPC 2017 18.

The Engineering Export Promotion Council (EEPC), Western Region has handed over a Certificate for the Export Award conferred on us in March 2020 in lieu of the '**Special Trophy for Excellence in Engineering Process Outsourcing Services**' for the year 2017-18 in the Medium Enterprise category.

The award comes in recognition of our Export Performance in the year, and represents the fifth consecutive year that the prestigious award has been conferred on us by the EEPC.

The Certificate has been received in lieu of the trophy which could not be handed at a formal ceremony, due to the pandemic conditions prevalent in Mumbai.

The Award is conferred as part of the Council's 30 year celebrations
