

Protect yourself from viruses and bacteria: Wash your hands properly

1
Wet hands under tepid running water

2
Apply soap from a dispenser

3
Rub hands palm to palm

4
Rub back of each hand with palm of other hand

5
Rub hands with fingers interlaced

6
Rub with back of fingers to opposing palms

7
Rub each thumb by clapping and rotating in palm of opposite hand

8
Rub clasped fingers in opposite palm in a circular motion

9
Rinse hands thoroughly with running water
