LEATHER & DECO

Our structured leather and deco films for vehicle personalization and interior decoration. These cast multi-layered films can be used indoors, for upgrading your kitchen or bathroom cabinets, restyling your doors or any other object. They can also be used outdoors for the most extreme applications, e.g. for vehicle wrapping.

LEATHER

Not only do our leather films look like real leather, they also have the same feel. They come in four different leather patterns, each of them in various colours.

Go for a stylish finish !

DECO

We offer six decorative effect patterns, each of them in various colours. Just wrap your old refrigerator or cabinet with these cast wrapping films.

Once wrapped, they will look and feel like a million dollars.
