COLOUR CHANGE

Our colour change films are the ideal solution for re-designing your interior or embellishing your vehicle, by giving it an exclusive look. From a small personal touch to a complete customisation, your car or interior can become unique in no time at all.

GRAFITYP

makes you stick

CAST

Thanks to its high quality, perfect finish and conformability, the cast quality can be used for the most extreme applications, e.g. for complete vehicle wraps or other 3D surfaces.

Available in 10 matt, 11 glossy and 2 satin colours.

POLYMERIC

Our calendered films are the perfect solution for even or slightly undulating surfaces, and for partial wraps.

Available in 15 matt and 15 glossy colours.
