WHAT SETS US APART

- **Yard Accuracy:** By eliminating downtime with an impressive 99.5% yard accuracy, our system ensures that trailers are consistently positioned in the right place at the right time.
- **Improving Processes:** Auditing enables tkSCS to identify areas for process enhancement, resulting in greater efficiency and effectiveness within manufacturing industries.
- **TMS Capabilities:** Our TMS system provides online tracking for all orders (status, current positions, position history, reference numbers, scheduled arrivals), and a complete accounting software solution all in one package.
- **Commitment to Safety:** Through our SafetyFirst!! culture and core values, we create a secure work environment that nurtures a dedicated workforce focused on delivering exceptional service to customers.
